

# Kodiak Used Equipment

2019 LMSC 4444

Year: 2019

Drive engine: Detroit Scania DC9

Transmission: Belt Drive

Cute: Rotating Directional Chute

Capacity: 4000 Ton Per Hour

Condition: Used

Notes: Took this unit on trade and we replaced the clutch and belt drive. Blower works well and the unit runs well. It is reliable and ready to blow snow. It comes with a bolt on front push bar.

Price: \$190K or available as rental unit
